

ROOF BLIND SHELF CHOICES 2022

Side Channel Shelf 50mm x 80mm
You decide the orientation

Shelf for 85mm² Headbox 70mm x 170mm

Shelf for 110mm² Headbox
and 150mm² for minimal 70mm x 220mm
coverage

A larger shelf, 50mm x 285mm, custom made in steel is available for the 150mm² headbox when full coverage is needed. This will be introduced extruded in aluminium soon.

Shelf for 200+ Series head boxes is custom made to order. Typically it is 50mm x 320mm.
